

All children in Reception, Year 1 and Year 2, are entitled to a free hot meal at school every day.

As we enter spring, we are encouraging all children in Key Stage 1 to 'Have-a-go' at eating a school meal every day for the month of March to energise them for the fresh spring days.

All school meals are nutritiously balanced and use fresh produce from respected local suppliers.

HAVE-A-GO MARCH

It would be fantastic if we could have as many children as possible sampling the range of meals on offer and saving parents a month's worth of packed lunch costs.

Remember, these meals are for every child in Key Stage 1 and paid for by the Government therefore there is absolutely no cost to families.

Please encourage your child to 'Have-a go' this March and let's see if we can achieve our target of at least 90% of children eating a nutritious, warm meal in school every day.
